English Language Programs (ESL) at Metropolitan College

Our interactive and communicative teaching style and learning materials will help you improve your speaking, writing, listening and reading skills.

The activities we do in class will help you communicate in English. Each week you will notice that you understand more when you listen and read and that people understand you better when you speak and write.

You can begin classes on any Monday and study for as many weeks as you choose. After writing a placement test, you will be placed in a class at one of the following English levels:

English levels

Beginner (level 1, 2)

Intermediate (level 3, 4)

Advanced (level 5, 6)

All group classes have between 4 – 8 students, ensuring that you receive the attention you need to achieve your goals. Small classes also give you more opportunity to participate in conversation and begin to communicate from the very first day!

You will receive a Certificate of English Language Studies on your last day of class.

You can choose **Full Time**, **Intensive 1** or **Intensive 2** studies.
